### **Consumer Profile Assessment for Your Practice**

The following questions will ask you to provide responses based on what you know or understand about your consumers.

(Try and answer based on what the majority in your practice reflects if you can't answer for every type)

- 1. Case History taking is now more than establishing what the chief complaint is. Whilst taking the history or engaging the consumer, you need to think about or develop a consumer profile that includes patterns or trends you've observed.
- Core values and beliefs
- Interests
- Personality
- Personal and professional goals
- General fears and concerns
- Leisure activity
- Work activity
- General lifestyle description

### **Assessment Conclusion**

#### Step 1:

- Once done completing the assessment, activyt will review and analyze
- Thereafter it will be sent back to you with our feedback.

#### Step 2:

- An appointment will be scheduled with you to discuss the feedback we provided as well as the recommendations we advise on.
- Once both parties are happy with the discussions and decisions made, a formal proposal will then be made that will include time frames and budget.
- Step 2 will take 5 7 working days to complete

#### Step 3:

- Once the budget, final strategy and time frames have been approved, the final proposal document together with the working contract will be sent to you for signing.
- The work will then commence on taking your brand to the highest possible level.
